

Welcome to Agriturismo GaiaSofia

For a more enjoyable stay,
I would like to give you some suggestions.

WI-FI

Wi-Fi is **free** of charge, the password is "gaia2019". For reasons of tranquility Wi-Fi is available only in the apartment.

GREEN PHILOSOFY

GaiaSofia is not only an agriturismo, but also an organic farm that produces and sells Organic Extra Virgin Olive Oil. **Environmental protection** and **waste management** are important for us. The entire structure is powered by thermal solar panels for heating water and photovoltaic panels for electricity and, if necessary, we supply ourselves with 100% renewable electricity.

Each apartment is equipped with a multi-compartment recycling bin for sorting waste. Some stickers will help you in choosing the right compartment for the waste you want to throw out; if you have any doubts, do not hesitate to ask us. In case of need, during long stays, there are some bins in the parking area where you can throw out your differentiated waste. I kindly ask you to always dispose of your waste before check out.

LESS PLASTIC
IS FANTASTIC!

LESS PLASTIC IS FANTASTIC

Please note that in the apartments and in the barbecue area the tap **water is potable** perfectly safe to drink. On your arrival you will find a bottle of fresh water in the fridge. In addition, for your shopping, we provide you cotton bags to use instead of the plastic ones supplied by the shops. Let's reduce the use of plastic bottles wherever it's possible. Less plastic is fantastic!!

ELECTRIC CARS CHARGING

In the car park there is a charging station for your car. When it is charged, make sure you leave the station free for another guest.

NO SMOKING

We also remind you that **smoking is not allowed** inside the apartments and in the swimming pool area. Ashtrays can only be found on the balcony tables and on the table in the barbecue area.

VEGETABLE GARDEN

GaiaSofia has a **vegetable garden** (on the north side of the house) and a **spiral garden** with culinary and aromatic herbs (on the south side of the house). Both are at guests' disposal for cooking their own meals. Please take only the necessary to allow everyone to use them.

OUR OLIVE OIL

In every apartment you will also find **a bottle of our olive oil**, extracted from the olives of our farm. You can also buy it in bottles of 250 ml or 500 ml and Bag in Box of 3 l, if you are interested.

CHECK-IN AND CHECK-OUT

You can **get in and out** from GaiaSofia at any time. To exit the car park you will find a card reader on the wall opposite the car park. For the respect and rest of the other guests, be careful not to make too much noise, especially at night.

Check-out by 10.00 a.m.. If it's possible, please let me know the estimated time of departure. The apartment card should be left in the wooden red box next to the card reader.

CLEANING AND LINEN CHANGE

We will take care of **the final cleaning and the linen change** whereas the tableware must be returned clean and dry to their places, please throw the separate waste collection bags in the corresponding bins in the parking area. For weekly stays, we offer a change of bed linen and towels, upon request and free of charge.

RISERVATO

SWIMMING POOL

In The swimming pool we kindly ask you to be quiet and to use your mobile phone in silent mode. Each apartment has a dedicated deckchair and a sunbed; you'll find the mattress in the apartment. You will find the name of the apartment on the umbrella pole. For hygienic reasons, it is recommended to use the blue towel on both the sunbed and the deckchair. Please take a shower before entering the pool, do not leave bath towels and mattress unattended and close the umbrella when not in use.

BARBECUE

The use of barbecue is free of charge but reservation is required. You can reserve it writing the name of your apartment, the day and the time of use on the blackboard under the pergola. If you want, you can share the space with other guests. GaiaSofia aims not only to be a place of tranquillity but also to give you a chance to make new friends.

Please leave the barbecue area clean as you found it, and throw the differentiated waste in the recycling bin you have in your apartment.

LAUNDRY

There is also a laundry room with washing machine, detergent and dryer at your service; if you need it you can contact me.

EMERGENCY

In each apartment, inside the TV stand, you can find a first aid kit and a fire blanket to be used in case of a fire. In case of **emergency**, please contact the following numbers: Fire Department 115, Medical Emergencies 118, Carabinieri Police Force 112, State Police 113.

SPORT AND ACTIVITIES

There are plenty of **activities** to do on the lake: cycling, horse riding, sailing, paragliding... don't hesitate to ask me any further information.

Relax and take time for yourself. Thank you for your visit.

Sandro
